

jonayoub.com

Short Pitch:

This is a webpage about Jonathan Ayoub.

Long Pitch:

Jonathan Ayoub is currently a senior at Michigan State University. He is majoring in computer science and his goal is to become a software developer after graduating. This portfolio will express his skills and projects to recruiters and anyone that comes about the page.

Personas:

Danny – A recruiter looking for a candidate to work for their company.

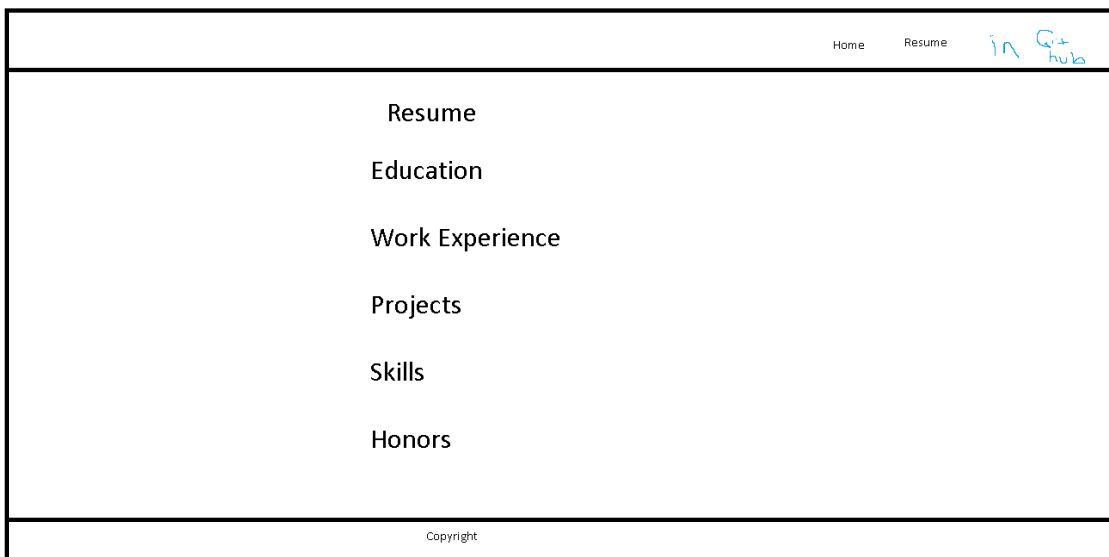

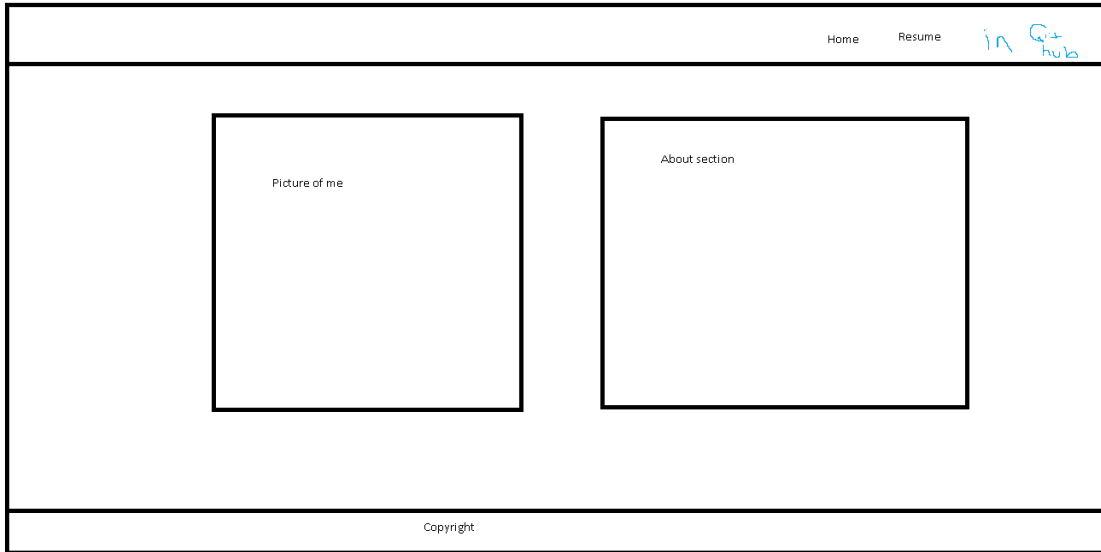

Bradley – A friend of Jon's that wanted to look at his website.
